The needs of Veterans are wide and varied. Stand Down honors and connects Veterans to vital services that are their right as Veterans – at no cost to them!

New for 2019!

Veteran Recreational Activities

Hunting, fishing, golf, art, hockey, horseback riding are but a few of the activities available to Veterans - at no charge. Get involved, learn a new activity, connect with fellow Veterans.

Academic Opportunity

Even with the GI Bill, Veterans need counsel in pursuing their education.

Representatives from accredited institutions will help Veterans determine their educational path. Each of these institutions offer specialized Veteran Student guidance to help create a viable academic plan.

Representatives from two-year and four-year colleges, as well as vocational and technical schools from the Central Ohio Area will be on hand.

Veteran Job Fair

Having Veteran certified companies proved to be a great success last year. We are expanding our job opportunities with Veterans-focused companies.

Veterans will be able to speak with trained individuals who will help translate their military skills to jobs.

Additional Services

Each year, our printed **Guest Program Guide** serves as a resource listing all the available services at Stand Down. Guests can use it as an ongoing reference.

founded in 1995

VA Health Screenings • Columbus Legal Aid • Housing • MidOhio Foodbank •
Volunteers of America Veterans & Families First • and over 90 Social Service Agencies!
